Have a great shoot!

THANK YOU TO EVERYONE THAT CAME OUT TO HELP GET THE CLUB HOUSE PRESSURE WASHED AND PAINTED.

IT WAS A TREMENDOUS EFFORT BY ALL AND WE ARE SO THANKFUL FOR THE DEDICATED BOARD MEMBERS AND MEMBERSHIP VOLUNTEERS THAT MADE THIS PROJECT HAPPEN.

KBH Archers board meetings are held on the 3rd Thursday of the month and are scheduled on the Events calendar. If you wish to bring something up before the board, you can call or e-mail your question or concern in advance to your President, Sheila Christiansen or any board member.

Your questions or concerns are important to us and will be taken into consideration and shared with the board members so that productive discussion can result. We encourage our members to attend in person to help become better informed and take part in the forward progress of our great club! Positive change is brought about through sharing your thoughts and ideas this makes for a happy healthy club read on....

Deployment? No Worries!!

Just a reminder!

The KBH board of Directors have received numerous requests to offer a Military Discount to our archers. After lengthy discussion we have decided that the best approach for our Active Duty Military Members is to offer a **Suspension of Membership** for our Military Members on deployment.

This Suspension of Membership will be offered to any Military Member who meets the following criteria:

- *Membership at KBH shall be current.
- *Duration of Suspension of Membership shall be no less than 3 months.
- *Families of Military Member on deployment do not wish to use KBH during this Suspension.
- *Military Member shall notify the Membership VP by e-mail **prior to deployment** that they will be out of the area and wish for their membership to be suspended for the duration of deployment. No specific dates of deployment are required. After completion of deployment, it is up to the Military Member to notify the Membership VP that they have returned. Military Members must supply the name of the Command that has sent them on deployment.

NEW! Special Notice to all Active Duty Military Members - ask for a discount on our Safari, Spring Fling and Rendezvous shoots. Be prepared to show identification at the registration table.

If you have concerns or questions regarding membership please send them to Membership VP, Sandra Wilson at kbhmembership@wavecable.com. As group e-mails will be sent from this address, it is very important that you set your e-mail filters to indicate that e-mails from this address are NOT JUNK. If you change your physical or e-mail addresses, please update these with an email to kbhmembership@wavecable.com.

Hunting VP Corner

by Buz Runyon

To all hunting members of KBH, our season is fast approaching in fair chase for Washington State game.

I will install a letter box in the club house next to the front door, this letter box will contain applications for KBH Hunter Recognition Awards for you to fill out upon a successful hunt. In doing so, your efforts will be recognized at our club banquet.

A Simply Traditional Heritage

Measuring the speed of an arrow using Compare Arrow Drop

By comparing the arrow drop at two distances, you can get a fairly accurate measurement of your bow's speed in FPS.

- 1) Shoot a group of arrows from 20 yards using the pin set for that distance. Concentrate on good form and pin placement. The more accurate you are, the more precise your results will be.
- 2) Mark the center of the group as reference point with a marker.
- 3) Back up to 40 yards and shoot another group of arrows at the reference point you marked. However, use the same pin you used from 20 yards.
- 4) Mark the center of the group. Measure the distance (in inches) between the two groups. Compare the distance to the chart below:

<u>Distance</u>	<u>FPS</u>
28.7	220
24.2	240
20.6	260
17.7	280
15.5	300
13.6	320
12.8	330

Or use a Chronograph

Congratulations !!

Three youth attended the JOAD Nationals in Raleigh North Carolina this past month. Though the weather was hot and humid the girls had fun shooting and enjoying their evening having fun in town.

They covered the spectrum of archery as each girl shot a different style of archery.

Lauren Heinzelman shot Barebow.
Therese Gordon shot Olympic Recurve.
Ameila Oxford shot Compound.
